ARRIVAL AND DEPARTURE

PARKING IN VIENNA

In Vienna, A-ROSA does not have a contractual partner for a parking service. There is a public, unattended parking space at the "Handelskai", where you may leave your car during your cruise.

ARRIVAL BY TRAIN

If you're arriving by train, you can either take a taxi from the main train station to your A-ROSA cruise ship for approx. € 25 or take the metro. To take the metro, please take the U1 to the station "Vorgartenstraße" and walk about 700 metres, first in the direction of the Reichsbrücke, then along the Reichsbrücke on the same side of the river down to the pier, and at the pier turn left under the bridge (facing the water).

ARRIVAL WITH AN A-ROSA FLIGHT ARRANGEMENT

With your travel information, you will receive your personal file key and a flight plan with all the important information about flight numbers and times.

TRANSFER FROM VIENNA AIRPORT TO THE CRUISE SHIP

After your flight has landed at Vienna Airport, please go through immigration and pick up your checked luggage, before proceeding to the arrival hall. Here, in front of the Burger King, an employee from our partner Globus will wait for you with a corresponding sign. Depending on the number of participants, this sign will either have your name or simply A-ROSA on it. You will then be taken to the transfer bus (usually a minibus), which will transfer you to your A-ROSA cruise ship.

CHECK-IN AT THE AIRPORT

At most airports, you will only find electronic check-in machines, which will print your boarding pass for your flight. For this process, you need a machine-readable ID card or your credit card and your "Filekey", which you can find in your flight information. If you need assistance with the check-in process, please contact the airline's staff on-site. Please arrive at the airport in good time for your flight. As is our responsibility, we would like to inform you that you can find detailed information about your passenger rights according to the Montreal Convention at: www.iatatravelcentre.com/tickets.

ONLINE CHECK-IN

If you have access to the internet, you may check in online on your airline's website 72 hours (Eurowings) or 23 hours (Lufthansa, SWISS) before your departure.

SAFETY REGULATIONS

Liquids and gel-like substances (e.g. toothpaste, cosmetic creams, drinks, etc.) may only be brought in your hand luggage if they do not exceed 100 ml and are packed in a transparent plastic bag with a maximum capacity of 1 litre. There is a restriction of one plastic bag per person and the bag must be presented separately at the airport security checkpoint. Liquid containers larger than 100 ml must be placed in your checked baggage.

MEDICAL INFORMATION

Please inform our A-ROSA Service Center of any notifiable medical devices and accessories (if necessary, after consulting your doctor) no later than 2 weeks in advance, so that we can pass this information on to the

airline. Essential medications and special food needed during a flight can be transported outside the plastic bag but must be presented during the security check.

DUTY-FREE ITEMS

Duty-free items that are purchased at airports within the EU or onboard an EU airline may be carried in a sealed official security bag and accompanied by a receipt of the same day. The bag is sealed at the point of purchase. As these special rules may be changed upon short notice, we kindly ask you to inform yourself again immediately prior to departure about the current regulations.
