

Royal Glamour with Michael Begasse

30.05.-06.06.2026 | A-ROSA SENA

Welcome to your Special and Event Cruise *Royal Glamour* accompanied by the royal expert Michael Begasse.

On your cruise, Michael Begasse will inspire you with an exciting event lecture on the subject of 'Willem-Alexander and Máxima of the Netherlands: A royal couple between the ecstasy of love and the fear of death'.

Máxima is the woman who turned 'Prince Pilsje' into a real king. But the road that the fiery Argentinian Máxima Zorreguieta and Willem-Alexander of the Netherlands had to travel was quite rocky. But their love prevailed. A-ROSA royal expert Michael Begasse attended the glamorous mega-wedding in Amsterdam in 2002 and has since met the Orange couple in person many times and accompanied them on their travels.

The TV journalist on board A-ROSA SENA knows what it means to the much-loved monarchs that their eldest daughter, Amalia, is currently in the crosshairs of a brutal mafia gang, and that the young heir to the throne is facing vicious attacks on the Internet. First-hand information awaits you.

So let an insider who has been up close and personal with the most popular royals take you into the world of royalty. It will be unique and exciting. Your questions on board are not only allowed, but encouraged!

Subject to change.

MICHEAL BEGASSE

For almost three decades, Michael Begasse has been working in radio and television. Be it behind the scenes as a producer or front and centre as a presenter or reporter. He commentates, copywrites and develops new formats. He's the host of atmospheric Royal Teatimes and Royal Dinners in the best hotels in Germany. He is an invited guest to all the major royal events in Europe, from a christening in Stockholm to when crowns are being passed on to the next generation in Spain and the Netherlands. He's also been to all the royal weddings, whether it be in London, Windsor or Monaco, and has witnessed all the queen's jubilees. The royal expert experiences the world of the royals first-hand and can now give special insight into their lives.
