

Create your very own personal holiday programme with our choice of carefully chosen excursions! Each excursion is a highlight in itself: from tours through metropolises, trips through impressive landscapes to action and fun-filled excursions. In many cities you have the opportunity to visit the country and its people with your own personal guide and driver.

We have compiled the excursion programme in conjunction with well-known, local agencies. We arrange the excursions and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners. Your A-ROSA excursion team has tried every excursion. They have explored the cities, the surroundings, museums and castles themselves to provide you with the best experiences so you can look forward to a variety of excursions that will make your holiday unforgettable. The excursions for your cruise can be found on the following pages.

In order to provide you with a better overview of the various options, we have divided our excursions into six categories: Bike, Discovery, Adventure, Family, Exclusive and Gourmet tours. Each is assigned the corresponding symbol.

We wish you an enjoyable time on shore! Your A-ROSA Team.

Excursion programme as of 02/2024, subject to change.

ROTTERDAM - ARCHITECTURE AND INNOVATION

While it's true that Rotterdam can look back on a long history, the city gives an outward impression of being refreshingly modern. Rotterdam is the Netherlands' main centre of architecture – over the last 20 years an impressive collection of skyscrapers has transformed its skyline. The 46-metre-high Witte Huis was the first skyscraper in Europe, and there's no denying that the city's famous Cube Houses are unique too. Of course, during your visit you'll also see the extraordinary market hall building, which is shaped like a giant aircraft hangar. The interior of the market hall boasts an 11,000-square-metre artwork made up of panels decorated with images of fruit and vegetables.

Another thing that makes the building unique is that, as well as housing a market, shops, eateries and a car park, it also has residential units.
