FOR A CAREFREE HOLIDAY: OUR NEW SAFETY CONCEPT.

Your enjoyment has always been our top priority. More than ever, this means feeling completely safe on board. In order to guarantee your health and safety during this challenging period, we have developed a new concept – and have tested the measures involved over the past few months. The name speaks for itself: Safety first.

The plan was developed by the newly formed A-ROSA Care Team. We modified and built upon our already excellent hygiene and safety standards.

Furthermore, we are in constant contact with the relevant port and health authorities, who keep us informed of the very latest developments. As a result, we can respond at an early stage and develop alternative route plans. And to give you peace of mind when booking, you can amend your reservation up to 30 days before departure with A-ROSA Premium all inclusive. In addition, the travel cancellation insurance covers COVID-19 infection.

Safety first: key information for your trip.

- Wherever possible, we will devise alternative routes to make sure that trips go ahead.
- There is a minimum risk of quarantine thanks to alternative routes that do not include stops in high-risk areas. (Outward/return travel via high-risk areas is classed as transit and does not result in a quarantine obligation.)
- If necessary, trips will only include individual onshore excursions or will take place completely on the water (with no stops). In this case, an onboard speaker, for example, will keep guests entertained.
- Wherever possible, highlights in high-risk areas will be shown by means of panoramic ship tours or coach excursions.
- Excursions will be held in smaller groups, with masks mandatory in coaches.
- A-ROSA ships are exempt from accommodation bans.

Risk-free booking.

- With A-ROSA Premium all inclusive, bookings can be amended free of charge up to 30 days before departure.
- The insurance policy of our partner company HanseMerkur covers COVID-19 infection.
- For even more peace of mind, there is the option of the new A-ROSA Coronavirus Insurance (from €13 per person via travel agencies or the A-ROSA Service Center).
- Amendments can be made free of charge in the event of a positive coronavirus test up to 30 days before departure.

Hygiene measures on board.

- There will be fewer guests on board.
- A minimum distance of 1.5 metres to other people applies throughout the ship.
- For your safety, the A-ROSA crew will be wearing face coverings at all times. We kindly ask you to also wear a face covering when moving around the ship. Wearing a mask is not required in your cabin, in the restaurant, in the bar, on the sun deck, during wellness treatments and when using exercise facilities.
- Guests' temperatures will be taken when they board the vessel; furthermore, a 'fitness to travel' declaration has to be submitted.
- Disinfectant will be available throughout the ship.
- The A-ROSA Care Team and Hygiene Managers will ensure compliance with the hygiene standards.
- Depending on the ship's occupancy level, meals will be served in two time slots.
- There will be a set seating plan for lunch and dinner.

OUR PREMIUM ALL INCLUSIVE RATE

With our all-round carefree Premium all inclusive rate, you do not have to worry about anything. This includes a whole host of benefits and services, such as three refined buffets a day, high-quality drinks from coffee to cocktails, the use of our spa area and various other services and amenities.

¹ Up to 30 days prior to departure.

SUSTAINABILITY

AT A-ROSA

As we show you the most delightful places on the banks of the Danube, Rhône, Seine, Rhine and Douro, we want to do everything we can to preserve and protect them. Unlike ocean-going ships, we generally do not use heavy fuel oil; instead, our vessels run on the same low-sulphur diesel as cars or lorries. And even here, fuel consumption is low, as we only use small ships with approximately 200 passengers on board. As demonstrated by a recent study conducted by the transport association Pro-Rail Alliance, we are even more sustainable than trains when it comes to CO₂ emissions. Nonetheless, we are still striving to reduce fuel consumption further and incorporate alternative propulsion systems within our fleet. Our new E-Motion vessel, which will embark on its maiden voyage in 2022, is leading the way (turn to pages 98–101 to find out more). In addition, we are pursuing sustainability targets in areas such as refuse, waste water and tourism. Our specific measures are outlined below.

HOW WE ARE GOING GREEN

Reduced emissions

- We only use low-sulphur diesel
- All the vessels in our fleet are fitted with an onshore power supply. This means that our ships use onshore electricity wherever possible whilst moored
- Our long-term goal is to install alternative propulsion systems on our ships

Waste water treatment

- Waste water is treated using certified systems, thus protecting rivers from contamination
- The resulting sewage sludge is disposed of by specialist companies at ports

Responsible tourism

- Walking tours, cycling tours, excursions on electric buses and similar eco-friendly alternatives
- The ingredients used in the ship's kitchen are often bought at local markets

Waste avoidance and correct disposal

- Bioplastic straws and bamboo cocktail sticks
- We only use washable towels, with no unnecessary washing
- Refillable soap dispensers
- Water bottles that can be refilled at designated dispensers. The newer A-ROSA vessels are already fitted with water dispensers, with retrofitting under way on the rest of the fleet
- A plan to avoid food waste that has been developed in conjunction with United Against Waste
- All waste is separated on board, stored separately and then handed over to certified partner companies for disposal

RECOGNISED WITH THE GREEN AWARD

An international award that recognises clean and safe shipping, with our A-ROSA AQUA and A-ROSA BRAVA vessels achieving extremely high scores in the categories of safety and environmental protection.

FROM BIKE TO BOAT TOUR: OUR EXCURSIONS

IN ADDITION:

On most cruises we also offer private guided tours.

With A-ROSA, there are many different ways to explore a city or place – 300 to be precise. We don't just offer guided walks and sight-seeing tours but also cycling, family, culinary and themed tours. You can reserve these tours online in advance (via www.arosa-cruises.com/excursions) or book them at short notice on board. We select our partner companies with great care – and all their employees are certified experts. What's more, you are insured during the excursions.

A SUMMARY OF THE APPROXIMATELY 300 EXCURSIONS CAN BE FOUND ONLINE AT WWW.AROSA-CRUISES.COM/EXCURSIONS

RHINE

ENKHUIZEN AND THE ZUIDERZEE MUSEUM

In the small town of EnkhuiZEN, you will board the ferry that takes you along the dam to the museum. Here, you will learn all about the former Zuider Zee bay. A quick recap: the Zuider Zee was once a North Sea bay (Zee is the Dutch word for 'sea'). A dam was built to prevent flooding, turning the Zuider Zee into the IJsselmeer – the largest lake in the Netherlands. This excursion is only available on family holidays (see pages 18–19).

DANUBE

BUDAPEST CITY TOUR

Watch the sights of Budapest glide by as you sit back and relax on the bus: the Millennium Monument on the vast expanse of Heroes' Square, the magnificent Hungarian State Opera House, the Exchange Palace and the imposing Parliament Building. On a walking tour through the castle quarter, you can then admire the Matthias Church and the Fisherman's Bastion, from where you will enjoy a spectacular view over the Danube and the Pest district.

DANUBE

A BIKE RIDE THROUGH LEAFY VIENNA

The first stop on your tour – the Donauinsel (Danube Island) – is a popular recreation area amongst the locals. It is located in the middle of the Danube and is a magnet for joggers, walkers and other cyclists. Once you have crossed the river, the famous Prater public park awaits. Here, you will cycle along a chestnut-tree-lined avenue before reaching the city's main landmark: the Riesenrad (Ferris wheel).

THE EXCURSION CATEGORIES:

DISCOVERY TOURS

City tours, city walks or sightseeing tours.

ADVENTURE TOURS

Themed tours or excursions with unusual forms of transportation at special places.

BIKE TOURS

Guided bike tours for an energetic way to explore the region.

FAMILY TOURS

Exciting and interactive excursions for young and old. From travelling back in time to adventure parks.

GOURMET TOURS

Sample regional specialities directly from the producer, at a winery or other special places.

SEINE

DELICACIES OF NORMANDY

On this tour, you will discover the green and vast open landscape of Normandy by bus and all the culinary delights that are produced here. We will start with the typical cheese Camembert. The organic Fromagerie Graindorge opens its doors for you and gives you a look behind the scenes, including a tasting. Afterwards, the bus will take you to the picturesque town of Beuvron-en-Auge, which is considered one of the most beautiful villages in France because of its many half-timbered houses. After lunch, the tour continues to Christian Drouin's farm, where Calvados is produced. Of course, you can also taste it.

RHÔNE

EXCLUSIVE BOAT TOUR THROUGH THE CAMARGUE

A private yacht will meet you in Port Saint Louis and take you off on a tour through the Camargue – the nature reserve situated between the Grand and Petit Rhône in the very south of France. The area is famous for the white Camargue horses, the bulls and the approximately 10,000 flamingos that live here. Rice is grown here, and the famous Fleur de Sel is produced here as well. During your boat tour you'll take in stunning natural scenery – and you'll have the chance to visit a Mediterranean oyster farm where you'll learn all about how these shellfish are bred. And, naturally, there'll be an opportunity for you to sample some oysters paired with a local wine.

FESTIVE GETAWAYS

With our festive getaways, you can spend the most magical time of the year – Christmas and New Year – in some of Europe's most beautiful cities. How does Vienna celebrate Christmas? What do the romantic illuminations of Budapest look like? How do Parisians welcome the new year? You will be sure to find out, but rest assured: it is bound to be festive.

THE FESTIVE GETAWAYS ARE HIGHLIGHTED IN SILVER IN THE ROUTE SECTION.

SEASONAL HIGHLIGHTS BY THE SEINE

- The 'Eiffel on ice' Christmas village right next to the Eiffel Tower. Some 60 wooden chalets selling handcrafted goods and culinary delights.
- During the festive season, a small yet superb ice rink is located in the middle of the delightful market square of Rouen, by the Church of St Joan of Arc (which was built in honour of the French national heroine).
- New Year's Eve in Paris! Whether on board the ship, on the Champs-Élysées (where most Parisians get together to celebrate) or at the light show at the Arc de Triomphe – it is sure to be spectacular.

SEASONAL HIGHLIGHTS BY THE DANUBE

- For Vienna's New Year's Eve Trail (which starts at 2 pm on NYE and finishes at 2 am), the entire old city is transformed into a huge party arena. On Rathausplatz square and in the Prater, the city is alive with food and drink, dancing, concerts and – on the stroke of midnight – a giant firework display.
- A little train runs from the Christmas market on the main square of Linz up to the Pöstlingbergschlössl restaurant on the mountain overlooking the city.
- Culinary delicacies at the Christmas markets include potato flatbreads, roast goose, potato pancakes, strudel and (alongside punch and mulled wine) mead.

SEASONAL HIGHLIGHTS BY THE RHINE

- The 'promenade of stars' in Strasbourg is as splendid as it sounds. Important buildings and bridges along the Quai des Bateliers glow in the light of 600 stars, which hang in the trees.
- The Christmas market in Frankfurt is one of the finest in Germany, with the skyline providing the backdrop for the quaint and beautifully decorated stands.
- The Christmas market in Mainz boasts superb attention to detail: an elaborate, 11-metre-high Christmas pyramid adorns the entrance and, a little further away, is complemented by life-size, hand-carved nativity figures.
- The Ferris wheel on Steenplein offers the best vantage point from which to appreciate the sheer beauty of Antwerp's Christmas lights.
- The festive season in Amsterdam is bursting with colour. Alongside Christmas markets and the spectacular New Year's Eve firework display, the Amsterdam Light Festival runs throughout December. Most of the action is centred around where you happen to be anyway: on the water and by the canals.

FARAWAY CAN BE SO CLOSE.

RHINE, MAIN & MOSELLE

RHÔNE/ SAÔNE

FIVE RIVERS, ONE DESTINATION: YOUR CUSTOMERS' DREAM HOLIDAY.

DANUBE

The Queen of Rivers has as many faces as it has bends. Its 2,850 km journey begins as a small stream in the Black Forest. By the time it reaches Bavaria, it's already become the strong current that served as one of the most important trade routes of the early Celts and Romans. It visits Vienna, inspires chefs, composers and royal families, and passes the most famous grape varieties in the world as it meanders through the World Heritage Site of Wachau. The Danube runs through the spectacular scenery of ten nations and passes cities that seem to vie with each other for the most remarkable architecture. Bratislava is followed by Budapest and Belgrade. Finally, it reaches the Iron Gates, the highlight of the Cataract Passage, before the Danube branches out into thousands of channels that run into the Black Sea. Here the cruise begins for our passengers anew.

RHINE, MAIN & MOSELLE

If you just look at its source, the Rhine is Swiss – with German hillsides along for the ride. That's why it visits three other countries and their major cities on its way to the North Sea. And it brings along plenty of wine from the best locations. The matching dishes are provided by the regions themselves: cheese from Basel, *tarte flambée* from Strasbourg, the *Debbekooche* potato dish from Koblenz and *Flönz* blood sausage from Cologne. Plus plenty of good things from the Main and the Moselle. As the sea slowly comes into view, A-ROSA guests see the busy side of the Rhine. Effervescent Amsterdam injects more multicultural esprit into the Rhine delta than the ancient Romans ever managed. And Rotterdam surpasses itself on a daily basis thanks to its lively arts scene and reputation as the continent's busiest seaport. So, it is up to our guests to choose what side of this richly varied river they choose.

SEINE

The Seine follows a winding path through the history of France – and each epoch is remarkable in its own way. Million-year-old chalk cliffs, the medieval alleyways of Rouen, Monet's water lily pond in Giverny. In contrast, visitors to Le Havre admire France's most modern seaport. And Paris? The crowning jewel in France's sophisticated reputation! For our guests, whether it's wondering at Mona Lisa's smile in the Louvre, taking a break in the Jardin des Tuileries or shopping to their heart's content along the Champs Élysées, the present moment is what counts here.

RHÔNE & SAÔNE

In the Midi, France's Mediterranean south, the attitude of the 'Grande Nation' towards life seems to be tangible. Many would say it's due to the special light which shines on remarkable buildings like the Papal Palace in Avignon. Or the scent of the lavender fields that welcomes travellers along the river like a friendly greeting. Others connect it to the traces of history which are an integral part of the cityscapes, like the amphitheatre of Arles or the narrow medieval alleyways of Lyon. Perhaps it is also the pure pleasures that no French person can do without: a fresh baguette, a good cheese and a glass of Châteauneuf-du-Pape. The lesson in relaxing comes free of charge. When will you immerse yourself in the French way of *vivre*?

DOURO

The Portuguese owe a lot to the Douro river. The Douro is an important part of Portuguese history. It connects the Alto Douro region, where the luscious grapes grow, to Porto, where the grapes are treated to create delicious port wine. Along its course, the river takes in breathtaking nature and Portuguese culture, passing through villages where Jewish people and Muslims lived together in peace during the Inquisition. Inquisition, ancient churches, the original sources of bygone monarchies and, of course, the beautiful *azulejos*. Let's not mention that the Douro rises in Spain.

DOURO

MINI DICTIONARY for your Portuguese getaway

Please can you take a photo of us?

VOCÊ PODE POR FAVOR TIRAR UMA FOTO NOSSA?

I would like a glass of port.

EU GOSTARIA DE UM COPO DE VINHO DO PORTO.

Where are the best natas in town?

ONDE ESTÃO AS MELHORES NATAS DA CIDADE?

APPROX. 300

native grape varieties grow in Portugal's vineyards. Some sources even mention 400 to 500 varieties!

897 kilometres is the approximate length of the Douro. It rises in the Spanish province of Soria and flows into the Atlantic Ocean near Porto.

1732

was the year in which the world's oldest surviving bookshop – Livraria Bertrand in Lisbon – was established.

Portugal is famous for its azulejos, glazed tiles that are usually painted white and blue. At the main railway station in Porto, São Bento, an artist has combined some **20,000 AZULEJOS** to create large wall paintings.

IT IS ESTIMATED THAT
PORTUGAL BOASTS BETWEEN

**250,000 –
300,000**

HECTARES OF LAND

PORTO BEARS THE NICKNAME OF CIDADE INVICTA, (INVINCIBLE CITY). INDEED, IT HAS NEVER BEEN CAPTURED BY INVADING TROOPS.

PORT GUIDE TO GO:

What is the difference between port and wine?

The fermentation process of port is stopped by the addition of alcohol. The alcohol level is therefore fortified to roughly 20 %, and a residual sweetness is retained from the grapes.

There are four different styles of port:

white, rosé, ruby and tawny.

8 °C

is the optimum drinking temperature for a white port. A tawny is best served at 12°C–14°C, and a ruby at 16°C–18°C.

FRANCESINHA

is a Portuguese speciality: a toasted sandwich with various types of meat filling and a tomato-and-beer sauce, topped with melted cheese (it tastes much better than it looks).

Saudade

is possibly the most beautiful word in the Portuguese language. It doesn't translate directly into English but is akin to a mixture of longing, wanderlust and positive melancholy.

In Vernon, the artist drew inspiration from the half-timbered **OLD MILL**.

Monet painted **ROUEN CATHEDRAL** no less than 33 times.

THE CUISINE OF NORMANDY:

Alongside the three Cs – Camembert, Calvados and cider – the region can also claim three more origin-protected cheese varieties: Pont-l'Évêque, Livarot and Neufchâtel. Another speciality unique to the region – and made only by about 25 producers – is poiré, that is, sparkling pear-based wine. *Mmm!*

FUN FACT:

The Eiffel Tower was only built as a temporary structure and was supposed to be demolished 20 years after its inauguration.

LES ANDELYS IS MADE UP OF TWO PARTS:

PETIT ANDELYS, which boasts narrow medieval streets and beautiful half-timbered houses.

GRAND ANDELYS, which has a more modern vibe thanks to street art and belle-époque architecture.

A BELUGA WHALE IN THE RHINE?

In 1966, a beluga whale lost its way and ended up in the Rhine. It was spotted in Duisburg on 18 May 1966. For several weeks, a zoologist tried to catch it – in vain. A month later, **Moby Dick** (as the whale was christened) found its way back to the North Sea.

Strasbourg Cathedral is one of the oldest Gothic cathedrals in the world. It stands on the foundations of a basilica that dates back to 1015. Almost four centuries passed before its completion in 1439.

OUR NEW E-MOTION SHIP.

Something to look forward to: our new Rhine vessel will finally take to the water in 2022. This new ship represents the future of our fleet – and the entire industry. It comes with a hybrid propulsion system comprising a combustion engine and an electric motor, meaning that we can enter ports with zero fuel and zero emissions. What's more, the ship's hull has been optimised in accordance with the principle of computational fluid dynamics, helping to save even more fuel. To give you more space to enjoy your holiday in style, there are four decks instead of three. The cabins will be more spacious and will usually have a balcony; there will be an enlarged spa area, a separate children's pool and an additional restaurant. And we are entrusting the interior design to hotel designers rather than ship suppliers. Turn to the next pages to see exactly what awaits.

MORE SPACIOUS CABINS, A NEW DESIGN.

In our new cabins, you will feel like you're staying at a designer hotel – except that you will be taking your hotel from place to place on the water. The standard cabins will measure 21 m² and boast a living area that is visually separated from the bedroom. There is also a separate family area with spacious 28 m² cabins as well as a suite area with 26 m² suites. All standard cabins and suites will feature a large balcony with seating. The interior design will be created by the renowned designers of JOI-Design.

Our standard cabins: bright, welcoming and anything but standard.

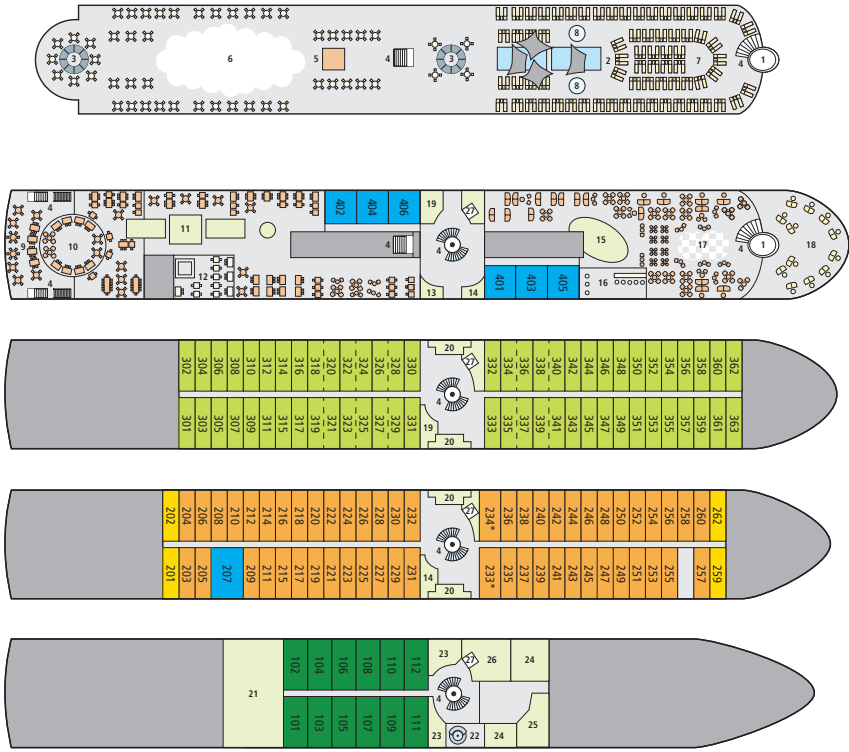

Our 26 m² suites: even more sophisticated than ever.

The A-ROSA family offer: Children travel free.¹

EVEN MORE
FAMILY-FRIENDLY.

The new ship gives families three reasons to rejoice. Alongside the family cabins, which are now even more spacious (28 m²), there is also a children's pool and a stationary Kids Club. Parents can take a break whilst the Kids Club team look after the kids and keep them entertained.

The family cabins not only boast a bunk bed with a peephole but also a play area.

¹ Minimum occupancy for family cabins (category G): children aged 15 and under travel free in a family cabin if they share the cabin with two full-paying adults. Only valid in the Premium all inclusive rate. A third bed in categories C and D (suitable for children aged 8 and under) can be booked at the standard children's rate. Child discount for cabins on decks 2 and 3 if accompanied by a full-paying parent or guardian: 25 %.

RHÔNE SAÔNE

**LYON IS
THE BIRTHPLACE
OF CINEMA.**

THE LUMIÈRE BROTHERS

HELD THEIR FIRST PUBLIC SCREENING

IN THE CITY IN 1895.

Course of
the *Rhône*

812 KM is the length of the Rhône as it winds its way through Switzerland and France. The Rhône and Saône merge **in Lyon**. The Rhône splits into the Great Rhône and Little Rhône **near Arles**. **In the Camargue**, both sections flow into the Mediterranean.

It is said that there are **more than 400** **traboules**, that is, secret passages, in Lyon. The first **traboules** were probably **built in the fourth century**. **Along with those built** **later, they mainly gave silk weavers** **safe access to the markets.**

**25
PER CENT**

of the total area of DES MÂCONNAIS, a large, hilly wine-growing region around Mâcon, is taken up by vines. The region produces superb white wines, with Saint-Véran, Mâcon Villages AOC and Pouilly-Fuissé amongst the best-known labels.

The town of Arles inspired **more than 300 works of Vincent van Gogh** in just 15 months. The artist moved there in 1888.

Camargue

Home of Fleur de Sel

Every year, more than 1.6 million tonnes of sea salt are collected near Aigues-Mortes in the Camargue. The Fleur de Sel is still harvested as it was 2,000 years ago: by arduous manual labour.

930 SQUARE KILOMETRES

is the size of the Camargue nature reserve in southern France.

THE CAMARGUE TRIO:

Some 10,000 flamingos, white-coated wild Camargue horses and black bulls are all characteristic of the marshy landscape south of Arles, between the Great and Little Rhône.

WHY ARE THE SALT LAKES PINK?

The salt lakes owe their colour to a microscopic species of algae, *Dunaliella salina*, which can store large quantities of beta-carotene. The natural predators of this algae – krill and brine shrimps – also accumulate this pigment and die off when the salt content reaches a certain level, causing the water to become increasingly pink.

3 MENTIONS FOR ARLES ON THE UNESCO WORLD HERITAGE LIST.

No wonder: it is home to 112 protected national heritage sites.

ARLES WAS THE SECOND-LARGEST CITY IN THE ROMAN EMPIRE.

THE OLD TOWN IS ONE OF EUROPE'S LARGEST AND FINEST RENAISSANCE DISTRICTS. VIEUX LYON WAS NAMED A UNESCO WORLD HERITAGE SITE IN 1998.

GENERAL TERMS AND CONDITIONS 2021

Dear Guests, please read the following Terms and Conditions of Travel carefully. They shall become, insofar as they are effectively agreed upon, the content of the travel contract to be concluded between the customer and A-ROSA Flusschiff GmbH. They are supplementary to legal provisions of sections 657a-y BGB (German Civil Code) and Articles 250 and 252 of the Introductory Act to the German Civil Code (EGBGB), and fulfil these.

1. CONCLUSION OF THE TRAVEL CONTRACT/ OBLIGATIONS FOR FELLOW TRAVELLERS

1.1. The following applies to all booking channels (e.g. in a travel agency, direct booking with the operator, by telephone, online, etc.): a) This offer is based on the trip advertisement and the supplementary information provided by A-ROSA Flusschiff GmbH for the respective trip to the extent it is available to the customer at the time of booking.

b) The customer is responsible for all contractual obligations of the travellers for whom he/she makes the booking as for his/her own obligations to the extent he/she has assumed this obligation by making an express and separate declaration.

c) If the content of the booking confirmation from A-ROSA Flusschiff GmbH differs from the content of the booking, it shall be deemed a new offer from A-ROSA Flusschiff GmbH that shall be binding for a period of ten days. The contract shall be concluded on the basis of this new offer if A-ROSA Flusschiff GmbH has drawn attention to the change regarding the new offer and fulfilled its pre-contractual information obligations and if the customer has accepted the offer within the binding period set by A-ROSA Flusschiff GmbH by making an express declaration or down payment.

d) If an option booking is made, the planned trip shall be reserved for three working days. After this period, the option will automatically become a confirmed booking. Within this period, the customer may choose another travel date or another route free of charge or cancel the trip free of charge.

1.2. Bookings made **orally, by telephone, in writing, by email, text message or by fax** are subject to the following provisions:

a) By making a booking (registering for travel), the customer makes an offer to A-ROSA Flusschiff GmbH to conclude the travel contract with binding effect.

b) The contract shall be formed when the booking confirmation (declaration of acceptance) of A-ROSA Flusschiff GmbH is received. It does not require any particular form. Upon or immediately after the conclusion of the contract, A-ROSA Flusschiff GmbH shall send the customer confirmation of the booking in written or electronic form.

1.3. With regard to **e-commerce bookings (e.g. online, app, telemedia)**, the conclusion of contracts is subject to the following provisions:

a) The electronic booking process is explained to the customer in the respective application.

b) The customer will have the option to correct his/her entries or delete or reset the entire booking form, and the use of this option will be explained.

c) The website will list the contractual languages that are offered for making the electronic booking.

d) If the text of the contract is stored by A-ROSA Flusschiff GmbH, the customer will be informed about this and about his/her option to access the text of the contract at a later time.

e) By clicking on 'Book' (book with binding obligation to pay), or a similar formulation, the customer makes an offer to A-ROSA Flusschiff GmbH to conclude the travel contract with binding effect.

f) The customer will receive an electronic confirmation stating that his/her registration for travel was received without undue delay (acknowledgement of receipt).

g) The fact that the registration for travel is transmitted by clicking on the button does not give rise to a claim by the customer that a contract will be formed.

h) The contract is only formed upon the customer's receipt of the booking confirmation from A-ROSA Flusschiff GmbH on a durable medium. If the website confirms the booking immediately after the customer clicks on 'Book' (book with binding obligation to pay) by displaying the respective immediate booking confirmation on the screen, the travel contract is formed when this booking confirmation is displayed. In this case, an interim notification regarding receipt of the booking in accordance with f) above is not required, insofar as the customer is given the option to save the booking confirmation on a durable medium and to print it out. However, the binding effect of the travel contract does not depend on the customer actually making use of these options to save or print it.

1.4 A-ROSA Flusschiff GmbH emphasises that, in accordance with legal provisions of sections 312(7), 312g(2) sentence 1 no. 9 BGB), there is no right of revocation for travel contracts pursuant to Section 651a and 651c BGB concluded by distance selling (letters, catalogues, telephone calls, faxes, emails, text messages, radio, telemedia and online services); instead, the customer has statutory rights of withdrawal and termination, especially the right of withdrawal pursuant to Section 651h BGB (see also 8 in this regard). However, a right of revocation exists if the contract for travel services pursuant to Section 651a BGB was concluded away from business premises, unless the oral negotiations on which the contract conclusion is based were conducted based on the consumer's previous order; there is no right of revocation in the latter case.

2. PAYMENT

2.1 A down payment of 25% of the travel price is due for payment following contract conclusion (receipt of the booking confirmation) and receipt of the risk coverage certificate pursuant to Section 651r BGB in conjunction with Article 252 EGBGB. When the down payment has been made, the full premium for an insurance policy brokered by A-ROSA Flusschiff GmbH shall also fall due. Payment is made by credit card or transfer directly to A-ROSA Flusschiff GmbH, depending on the payment method chosen by the customer. Unless expressly agreed otherwise with A-ROSA Flusschiff GmbH, payments to intermediary travel agencies do not discharge the obligation to make payment. The outstanding amount shall fall due 30 days before the start of the trip insofar as the

risk coverage certificate has been issued and A-ROSA Flusschiff GmbH can no longer exercise its right of revocation for the reasons set out in 6.2. Where bookings are made within 30 days of the start of the trip, the travel price shall be due in full without delay insofar as the risk coverage certificate has been issued.

2.2. If the customer does not make the down payment and/or the outstanding payment by the agreed due dates, even though A-ROSA Flusschiff GmbH is willing and able to duly render the contractual services and has fulfilled its statutory information obligations and the customer does not have a statutory or contractual right of retention, A-ROSA Flusschiff GmbH shall be entitled, after issuing a reminder and setting a final deadline, to cancel the travel contract and charge the customer cancellation costs as set out in 8.2. sentence 2 to 8.5. 2.3. After full payment for the cruise, but no earlier than three weeks before the start of the cruise, the customer will be issued with his or her travel documents.

3. SERVICES AND PRICES

3.1. The scope of the services, which A-ROSA Flusschiff GmbH is obliged to perform, is set out in the contents of the booking confirmation in association with the catalogue or cruise description valid at the time of the cruise, subject to all the information and explanations contained therein, including any individual agreements.

3.2. Connecting journeys by train/coach/plane must be organised and booked by the customer himself/herself. Upon request, A-ROSA Flusschiff GmbH is prepared to act as an agent for arranging such connecting journeys.

3.3. Any concessions arising from the age of the customer shall be based on the customer's age on the date of the start of the cruise.

4. CHANGES TO CONTRACTUAL CONTENT BEFORE THE START OF THE TRIP THAT DO NOT AFFECT THE TRAVEL PRICE

4.1 Deviations in essential characteristics of the travel services from the agreed content of the travel contract which were not caused by A-ROSA Flusschiff GmbH in bad faith and which become necessary after the conclusion of the contract shall be permitted vis-a-vis A-ROSA Flusschiff GmbH before the start of travel if the deviations are not of major significance and do not impair the overall nature of the trip booked. Such changes include, for example, booking amendments to an equivalent ship of the shipping company, changes to the travel times and/or routes on river cruises – which may become necessary in the event of high/water that could not be foreseen in good time (safety or weather reasons) – the full or partial cancellation of route sections or the completion of partial sections with other modes of transport, diversions around or non-stop travel through high-risk areas in the event of a pandemic, cancellations of or amendments to excursion programmes; in individual cases, overnight accommodation in hotels may be necessary.

4.2. A-ROSA Flusschiff GmbH is obliged to clearly and comprehensibly inform the customer of changes to services immediately after it becomes aware of the reason for such on a durable medium (e.g. also by email, text message or voice message) in a manner that highlights the change.

4.3. In the event of a significant change to an essential characteristic of a travel service or a deviation from the customer's particular specifications that have been included in the travel contract, Section 651g BGB applies. If the change affects the content of the travel contract, the customer shall be entitled, within a suitable period set by A-ROSA Flusschiff GmbH, at the same time as communication of the change to either accept the change, cancel the travel contract without charge or request a place on a substitute trip if A-ROSA Flusschiff GmbH has offered such a trip. The customer may choose to respond, or not respond, to the communication from A-ROSA Flusschiff GmbH. If the customer responds to A-ROSA Flusschiff GmbH, he/she may either agree to the change, request a place on a substitute trip if such has been offered or cancel the contract free of charge. If the customer does not respond to A-ROSA Flusschiff GmbH at all or within the period set, the communicated change shall be deemed to have been accepted. A-ROSA Flusschiff GmbH will draw the customer's attention to this fact in the communication regarding the service change in accordance with 4.2 in a clear, comprehensible manner that highlights the change.

4.4. Any warranty claims shall remain unaffected insofar as the changed services are deficient.

5. PRICE CHANGES AFTER CONCLUSION OF THE CONTRACT

5.1. If the carriage costs, in particular fuel costs, increase in relation to those which existed at the time of the conclusion of the travel contract, A-ROSA Flusschiff GmbH will increase the price of the cruise in accordance with the following calculation:

a) In the case of an increase relating to an individual seat, A-ROSA Flusschiff GmbH may demand an increased amount from the customer.

b) In other cases, the additional amount demanded by the transport company per means of transport will be divided by the number of seats on the agreed means of transport. A-ROSA Flusschiff GmbH may demand from the customer the increased amount for an individual seat calculated in this way.

5.2. If charges such as taxes, port or airport fees which existed at the time the contract was concluded are increased to the detriment of A-ROSA Flusschiff GmbH, the travel price may be increased by a corresponding proportional amount.

5.3. Such increases shall only be permissible insofar as the period between the conclusion of the contract and the agreed date of the cruise is longer than four months and the circumstances leading to the increase had not occurred before the contract was concluded and were unforeseeable for A-ROSA Flusschiff GmbH at the time the contract was concluded. In the event of a later change to the travel price, A-ROSA Flusschiff GmbH must inform the customer without delay. Price increases after the 20th day before the start of

the cruise shall be invalid. If the price increases by more than 8%, the customer shall have the right to cancel the contract without charge or request a place on a trip of at least the same value, provided that A-ROSA Flusschiff GmbH is in a position to offer the customer such a trip without additional charge from among those it has on offer. After being informed by A-ROSA Flusschiff GmbH about the price increase, the customer shall be obliged to assert this right without delay.

5.4. A-ROSA Flusschiff GmbH is obliged to pass on price reductions to the customer in accordance with the above.

6. CANCELLATION BY A-ROSA FLUSSSCHIFF GMBH ON GROUNDS OF CONDUCT AND CANCELLATION OF THE CONTRACT OWING TO THE MINIMUM NUMBER OF PARTICIPANTS NOT BEING REACHED

6.1. A-ROSA Flusschiff GmbH may terminate the travel contract without notice if, despite warnings from A-ROSA Flusschiff GmbH, the customer/traveller continually causes disturbances or behaves in violation of the contract (danger to life and limb) to such a degree that the immediate cancellation of the contract is justified. This does not apply if the conduct in violation of the contract is based on a violation of the tour operator's information obligations. If A-ROSA Flusschiff GmbH cancels the contract, it retains its claim to the travel price; it must, however, take into account the value of any savings in expenses as well as any benefits that may accrue through alternative utilisation of services not utilised by the person concerned, including any amounts refunded by the respective service providers. In these cases, the staff employed by A-ROSA Flusschiff GmbH and the ship's crew are explicitly authorised to protect the interests of A-ROSA Flusschiff GmbH.

6.2. If the minimum number of participants (110 persons) specified in the catalogue or the booking confirmation is not reached, A-ROSA Flusschiff GmbH may cancel the travel contract up to 35 days prior to the start of the trip. A-ROSA Flusschiff GmbH is obliged to inform the traveller that the precondition for the cancellation of the cruise has been met as soon as this situation arises and to send him/her the cancellation declaration without delay. If the trip is not undertaken for this reason, A-ROSA Flusschiff GmbH must refund the customer's payments made towards the travel price without delay, and in any case within 14 days after receipt of the cancellation declaration.

7. BAGGAGE AND ANIMALS ON BOARD VESSELS OPERATED BY A-ROSA FLUSSSCHIFF GMBH

Baggage must contain only items for passengers' personal use. In particular, travellers are not permitted to bring drugs, weapons, ammunition or explosive/flammable substances onto the riverboats. In accordance with international agreements, any drug offences will be reported to the local authorities. Animals are not permitted to be taken on board A-ROSA riverboats.

8. CANCELLATION BY THE CUSTOMER BEFORE THE START OF THE CRUISE/CANCELLATION COSTS

8.1. The customer may cancel the travel contract at any time before the start of the trip. A cancellation declaration must be sent to A-ROSA Flusschiff GmbH. If the trip was booked through a travel agent, the cancellation declaration may also be sent to this agent. The customer is advised to send the cancellation declaration on a durable medium.

8.2. If the customer cancels before the start of the trip or does not begin the trip, A-ROSA Flusschiff GmbH loses its claim to the travel price. A-ROSA Flusschiff GmbH may instead demand suitable compensation for the travel arrangements made prior to the cancellation and its expenses in accordance with the actual travel price, unless it is responsible for the cancellation or extraordinary circumstances arise at or in the immediate vicinity of the destination that have a significantly adverse effect on the execution of the trip or the transport of persons to the destination. Circumstances are deemed to be unavoidable and extraordinary if they are beyond the control of the tour operator and if their consequences could not have been avoided even if all reasonable precautions had been taken. In the event of cancellation by the customer, a percentage rate of compensation for travel arrangements made and expenses incurred shall become payable, the amount of which depends on the date when the cancellation declaration is received and the expected amount of saved expenses. We therefore recommend that any cancellation declaration be made in writing. The percentage rate of compensation is calculated as follows:

- Standard rate: A-ROSA Premium all inclusive rates
- up to 31 days before departure: 25 %
- 30 days or less before departure: 40 %
- 24 days or less before departure: 50 %
- 17 days or less before departure: 60 %
- 10 days or less before departure: 80 %
- 3 days before departure until the day of departure or cancellation on the day of arrival or no-show: 90 %

In the case of partial cancellation of a child up to 15 years old travelling free of charge and accompanied by at least one full-paying adult with parental consent in a double cabin, A-ROSA Flusschiff GmbH will charge a handling fee of € 100.

- b) Special rate: A-ROSA Basic rates
- up to 31 days before departure: 35 %
- 30 days or less before departure: 50 %
- 24 days or less before departure: 60 %
- 17 days or less before departure: 75 %
- 10 days or less before departure: 85 %
- 3 days before departure until the day of departure or no-show: 90 %

c) For additional themed packages with a separate booking code, such as wellness packages, and also for arrival and departure arrangements and extended stays in hotels, the standard rate shall apply (8.2.a.).

8.3. Before the trip begins, the traveller may request, in accordance with Section 651e BGB, that a third party assume his/her rights and obligations arising from the travel contract. Such a declaration shall be deemed timely if A-ROSA Flusschiff receives it seven days before the start of the trip.

A-ROSA Flusschiff GmbH may refuse to accept substitution by the third party if he/she does not satisfy the specific travel requirements or if statutory provisions or administrative orders stand in the way of his or her participation. If a third party enters into the contract, that person and the customer shall be jointly and severally liable to A-ROSA Flusschiff GmbH in respect of the travel price and any additional costs arising from such substitution. For the substitution of a passenger, A-ROSA Flusschiff GmbH will charge an additional fee of € 50 per person for the cruise only. Costs arising from the substitution in respect of any additional services that may have been booked (e.g. flights) will be charged in full to the person making the booking.

8.4. A-ROSA Flusschiff GmbH reserves the right to demand higher, individually calculated compensation in place of the above standard rates insofar as A-ROSA Flusschiff GmbH can prove that it has incurred significantly higher expenses than the applicable standard rate. In this case, A-ROSA Flusschiff GmbH is obliged to specifically quantify and prove the amount of compensation demanded, taking into account the expenses saved and the possible alternative utilisation of the travel services.

8.5. The customer shall, in all cases, be permitted to submit evidence that the appropriate compensation owed to A-ROSA Flusschiff GmbH is significantly lower than the compensation amount demanded or that A-ROSA Flusschiff GmbH has not incurred any losses at all.

8.6 If A-ROSA Flusschiff GmbH is obliged to reimburse the travel price as a result of a cancellation, the payment must be made without delay, and in any case within 14 days after receipt of the cancellation declaration.

9. CHANGES TO BOOKINGS

After conclusion of the contract, the customer does not have any entitlement to changes in respect of the date of the cruise, the destination, the place of departure, the accommodation or the means of transport (changes to bookings). If any changes to the booking are nevertheless made at the request of the customer, A-ROSA Flusschiff GmbH is entitled to make a charge per traveller for changes to the bookings within the periods set out below. This charge is as follows:

9.1. Changes to bookings up to 30 days before the start of the cruise. For changes to bookings up to 30 days before the start of the cruise, the following shall apply:

a) Bookings in the price category A-ROSA Premium all inclusive: first change in booking per person is free of charge; for each additional change, it is € 25 per person if the change to the booking is made within A-ROSA Premium all inclusive and it is a firm booking. For changes of bookings from A-ROSA Premium all inclusive to A-ROSA Basic, the charge is € 150 per person.

b) Bookings in the price category A-ROSA Basic: € 200 per person if the change to the booking is made within A-ROSA Basic and it is a firm booking.

c) Flight-inclusive bookings: for changes to flight-inclusive bookings, the charge specified in 8.1. a)-c) will be increased by € 80 per person.

9.2. Changes to bookings less than 30 days before the start of the cruise. Any desired changes to the bookings by the client which are requested 29 or fewer days before departure can be made, to the extent that they are possible at all, only after the customer has withdrawn from the travel contract under the existing conditions and simultaneously made a new booking. This shall not apply to changes to bookings that give rise to only minor costs.

9.3. Standard charges for administration, cancellation and changes to bookings fall due immediately.

9.4. In the event of booking amendments, the reductions and discounts valid at the time of the original booking shall be applied.

10. UNUSED SERVICES

If the traveller does not utilise certain travel services that have been offered in the proper way owing to reasons which are his/her own responsibility (e.g. his/her leaving the cruise prematurely or other compelling reasons), he/she shall not be entitled to claim a refund of a proportional amount of the travel price. A-ROSA Flusschiff GmbH will seek to obtain a refund of the expenses saved by the service provider. This obligation shall not apply if the services in question are of negligible significance.

11. THE TRAVELLER'S OBLIGATION TO PROVIDE ASSISTANCE

11.1. Travel documents

The customer must inform A-ROSA Flusschiff GmbH or the travel agent through which he/she booked the trip if he/she does not receive the necessary travel documents (e.g. flight tickets, hotel voucher) within the period of time set by A-ROSA Flusschiff GmbH.

11.2. Report of deficiencies/Request for remedy
If the trip is not executed free of deficiencies, the traveller may demand redress. The traveller is obliged to notify the tour guide at the holiday destination about the deficiencies without delay. If there is no tour guide at the holiday destination, any deficiencies in the cruise must be reported to A-ROSA Flusschiff GmbH at its headquarters. The information on how the tour guide and/or A-ROSA Flusschiff GmbH can be contacted will be given in the specification of services provided or, at the latest, along with his/her travel documents. The tour guide is authorised to take steps to remedy the situation, if possible. However, he/she is not authorised to recognise the customer's claims. Insofar as A-ROSA Flusschiff GmbH is unable to provide remedy due to the culpable failure to report deficiencies, the traveller may not assert abatement claims in accordance with Section 651m BGB or claims for compensation in accordance with Section 651n BGB.

11.3. Notification period prior to cancellation
If a traveller wishes to terminate the travel contract on account of a travel deficiency of the kind described in Section 651(2) BGB, if it is significant, in accordance with Section 651l BGB, he/she must grant A-ROSA Flusschiff GmbH a reasonable period to remedy the situation in advance. This does not apply if A-ROSA Flusschiff GmbH refuses to remedy

the situation or if a remedy is required immediately.

11.4. Damage to and late arrival of baggage in the case of air travel; specific rules and deadlines

(a) The traveller is advised that any loss of, damage to or late arrival of baggage in connection with air travel must be reported, in accordance with provisions under aviation law, by the traveller at the airport without delay using a property irregularity report (PIR) provided by the competent airline. Airlines and tour operators may refuse to reimburse customers on the basis of international agreements if the PIR has not been completed. Where baggage has been damaged, the PIR must be submitted within seven days after receipt of the baggage and in the case of late arrival within 21 days.

(b) In addition, the loss, damage or misdirection of baggage must be reported to the tour guide or the local representative of A-ROSA Flusschiff GmbH without delay. This does not release the traveller from the obligation to file a PIR with the airline within the above periods in accordance with a).

12. LIMITATION OF LIABILITY

12.1. The contractual liability of A-ROSA Flusschiff GmbH for damage – excluding physical injury and culpably caused damage – is limited to three times the travel price. Any potential further claims pursuant to international agreements or legal provisions based on such remain unaffected by the limitation. 12.2. A-ROSA Flusschiff GmbH is not liable for impairments of performance, personal injury or property damage in connection with services for which it has merely acted as an agent (e.g. brokered excursions, sports events, theatre visits, exhibitions) if these services are explicitly specified in the trip advertisement and the booking confirmation as external services, citing the name and address of the contractual partner providing the service, in such a way that the traveller has been clearly informed that these services are not within the scope of the travel services and have been selected separately. Sections 651b, 651c, 651w and 641y BGB remain unaffected by this. However, A-ROSA Flusschiff GmbH is liable if and to the extent that the loss or damage incurred by the customer is attributable to A-ROSA Flusschiff GmbH's violation of its obligations in respect of information, explanation or organisation.

12.3. Insofar as A-ROSA Flusschiff GmbH is the contractual or performing carrier as regards the trip, or is deemed to be such in accordance with statutory provisions, A-ROSA Flusschiff GmbH is also liable in the case of compensation claims for personal injury or damage to baggage under specific statutory regulations (in particular Sections 538 et seqq. of the German Commercial Code [HGB]).

13. ASSERTION OF CLAIMS: ADDRESSEE, INFORMATION ON CONSUMER DISPUTE RESOLUTION

13.1. Reporting deficiencies

a) The customer/traveller must assert claims pursuant to Section 651(3) no. 2, 4–7 BGB against the tour operator. Claims can also be asserted through the travel agent if the package holiday was booked through said travel agent. It is advisable to assert claims on a durable medium.

13.2. The period resulting from 13.1. also applies to the notification of damage to baggage or delays in delivering baggage in connection with flights as set out in 11.4. if warranty rights (Sections 651(3), 651d, 651e(3,4) BGB) are asserted. Claims for damages must be reported within seven days in the case of damaged baggage. Claims for damages due to late arrival of the baggage must be made within 21 days after delivery. 13.3. Abatement claims and claims for compensation should only be asserted against A-ROSA Flusschiff GmbH at the following address: A-ROSA Flusschiff GmbH, Loggenweg 5, 18055 Rostock, Germany. The customer is strongly encouraged to assert claims in writing.

13.4. A-ROSA Flusschiff GmbH emphasises in relation to the Act on consumer dispute resolution that it does not participate in voluntary consumer dispute resolution. If consumer dispute resolution becomes mandatory for tour operators after these Terms and Conditions of Travel are printed, A-ROSA Flusschiff GmbH shall inform the customer of this in a suitable form. For all travel contracts concluded in electronic business transactions, A-ROSA Flusschiff GmbH refers to the European online dispute resolution platform <http://ec.europa.eu/consumers/odr/>

14. PASSPORT, VISA AND HEALTH REGULATIONS

14.1. Every traveller on A-ROSA river cruise liners must carry a valid identity card or passport. All children (from the time of their birth) must have their own travel document for travel abroad (see Entry Regulations on page 119).

14.2. A-ROSA Flusschiff GmbH will inform nationals of Member States of the European Community in which the cruise is offered about the relevant passport, visa and health regulations before the contract is concluded and about any changes to these regulations before departure. For nationals of other states, the appropriate consulate will provide information. In providing this information, it is assumed that there are no peculiarities relating to the person of the customer and any fellow travellers (e.g. dual citizenship, statelessness).

14.3. A-ROSA Flusschiff GmbH will inform the customer about any changes to the regulations set out in the cruise description before the contract is concluded.

14.4. The customer is responsible for obtaining and carrying the officially required travel documents, for any necessary vaccinations, and for adherence to customs and foreign currency regulations. Any disadvantages which arise as a result of non-adherence to these regulations (e.g. the payment of cancellation costs) will be charged to the customer. This does not apply if A-ROSA Flusschiff GmbH failed to provide information or the information provided was insufficient or incorrect.

14.5. The customer must provide A-ROSA Flusschiff GmbH all personal data (manifest data) required for the cruise six weeks before the start of the cruise at the latest and must ensure that the manifest data conform to the data in the travel documents. When booking from six weeks before the start of the cruise, the manifest data must be provided immediately.

14.6. A-ROSA Flusschiff GmbH is not liable for the timely

issue and delivery of any necessary visas by the respective diplomatic mission if the customer has requested the tour operator to obtain such visas unless it has culpably violated its own obligations.

15. ASSIGNMENT, VALIDITY OF TERMS AND CONDITIONS

15.1. Without the consent of A-ROSA Flusschiff GmbH, the customer cannot transfer (assign) claims against A-ROSA Flusschiff GmbH to third parties in part or in whole. This does not apply between the customer and relatives travelling with him/her or people for whom the customer has assumed an obligation in accordance with 1.1b.

15.2. These Terms and Conditions of Travel and all information in the A-ROSA catalogue 2021 are correct and up to date as of October 2020. They apply to all trips in the A-ROSA catalogue 2021 with A-ROSA Flusschiff GmbH and replace any previous versions or editions relating to A-ROSA trips.

16. APPLICABLE LAW AND JURISDICTION

16.1. German law applies exclusively to the contractual relationship between the customer and A-ROSA Flusschiff GmbH. Insofar as German law is fundamentally not applicable to actions brought by the customer against A-ROSA Flusschiff GmbH abroad for the liability of A-ROSA Flusschiff GmbH, German law shall apply exclusively with regard to the legal consequences, especially in relation to the nature, scope and amount of the customer's claims.

16.2. Customers may only bring action against A-ROSA Flusschiff GmbH at its registered office in Rostock. For action brought by A-ROSA Flusschiff GmbH against customers, the customer's place of residence is decisive. Rostock is agreed as the place of jurisdiction for action brought against customers who are merchants, legal entities under public or private law or persons whose place of residence or usual abode is abroad or whose place of residence or usual abode is unknown at the time the action is filed.

16.3. The above provisions do not apply:

a) if and insofar as the contractually mandatory provisions of international agreements applicable to this contractual relationship provide otherwise in favour of the customer, or b) if and insofar as mandatory provisions of an EU Member State where the customer is a citizen that are applicable to the travel contract are more favourable for the customer than these provisions or the corresponding provisions under German law.

17. DUTY TO PROVIDE INFORMATION ABOUT THE IDENTITY OF THE PERFORMING AIRLINE

The EU directive concerning the information of flight passengers about the identity of the performing airline obliges A-ROSA Flusschiff GmbH to inform the customer at the time of booking about the identity of the performing airlines with regard to all flight services in connection with the cruise booked. If the performing airline has not been decided upon at the time of booking, A-ROSA Flusschiff GmbH is obliged to inform the customer about the airline or airlines which will probably perform the flight. As soon as A-ROSA Flusschiff GmbH knows which airline will perform the flight, it must inform the customer. If the airline that the customer has been told will perform the flight changes, A-ROSA Flusschiff GmbH must inform the customer about this change. It must immediately take all reasonable steps to ensure that the customer is informed as quickly as possible about the change. The list of airlines banned within the EU (Blacklist) can be viewed at the following internet page: http://ec.europa.eu/transport/modes/air/safety/air-ban/index_de.htm

FORM FOR INFORMING THE TRAVELLER IN THE CASE OF A PACKAGE HOLIDAY PURSUANT TO SECTION § 651A OF THE GERMAN CIVIL CODE.

The combination of travel services offered to you is a package holiday as defined by Directive (EU) 2015/2302.

You can therefore make use of all EU rights applicable to package holidays. The company A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany, bears all responsibility for the proper execution of the entire package holiday.

The company A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany, also has the insurance prescribed by law for reimbursing your payments and, if transport is included in the package holiday, for ensuring your return transport in the event of its insolvency.

MOST IMPORTANT RIGHTS IN ACCORDANCE WITH DIRECTIVE (EU) 2015/2302:

- Travellers will receive all key information on the package holiday before the package holiday contract is concluded.
- At least one company is always liable for the proper provision of all services included in the contract.
- Travellers will receive an emergency telephone number or details of a contact point through which they can contact the tour operator or the travel agency.
- Travellers may transfer the package holiday to another person within a reasonable period and, depending on the circumstances, at additional cost.
- The price of the package holiday may only be increased if certain costs (e.g. fuel prices) increase and this is expressly provided for in the contract; any increase may only be implemented up to 20 days before the start of the package holiday. If the price increase exceeds 8 % of the price of the package holiday, the traveller may cancel the contract. If a tour operator reserves the right to increase the price, the traveller has the right to a price reduction if the relevant costs fall.
- Travellers may cancel the contract without paying a cancellation fee and be reimbursed all payments in full if one of the key elements of the package holiday changes substantially, apart from the price. If the company responsible for the package holiday cancels the package holiday before the start of the holiday, travellers are entitled to reimbursement and, depending on the circumstances, compensation.
- Travellers may cancel the contract without paying a cancellation fee if extraordinary circumstances occur before the start of the package holiday – for example, if there are serious safety problems at the destination that are expected to adversely affect the package holiday.
- Travellers may also cancel the contract at any time before the start of the package holiday against payment of a reasonable and proportionate cancellation fee.
- If key elements of the package holiday cannot be executed as agreed after the start of the package holiday, the traveller shall be offered different, suitable arrangements at no extra cost. The traveller may cancel the contract without paying a cancellation fee (this right is known as termination in the Federal Republic of Germany) if services are not rendered in accordance with the contract and this has significant effects on the provision of contractual package holiday services and the tour operator fails to provide a remedy.
- The traveller is entitled to a price reduction and/or compensation if the travel services are not rendered properly or at all.
- The tour operator shall assist the traveller when the latter experiences difficulties.
- Payments shall be reimbursed in the event of the tour operator's or – in some Member States – the travel agent's insolvency. If the tour operator or, where relevant, the travel agent becomes insolvent after the start of the package holiday and transport is part of the package holiday, the return transport of the travellers shall be guaranteed. A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany, has taken out insolvency insurance with Swiss Re International SE, Niederlassung Deutschland. Travellers may contact this establishment (Swiss Re International SE, Niederlassung Deutschland, Messe Turm, 60308 Frankfurt; tel.: +49 (0)69 767 255 124; email: Andreas_Renner@swissre.com) or, where applicable, the competent authority if they are refused services on account of the insolvency of A-ROSA Flussschiff GmbH, Loggerweg 5, 18055 Rostock, Germany.

RIGHT OF REVOCATION

A-ROSA Flussschiff GmbH mentions that according to legal regulations (sections 312 (7), 312g (2) sentence 1 no. 9 of the German Civil Code) for travel contracts in accordance with sections 651a and 651c of the German Civil Code, which were concluded by means of distance selling (letters, catalogues, telephone calls, faxes, emails, messages sent via mobile phone [SMS] and broadcasting, telemedia and online services), there is no right of revocation, but only the statutory withdrawal and cancellation rights, in particular the right of withdrawal according to section 651h of the German Civil Code (see also item 7).
