Create your very personal holiday programme with our choice of carefully chosen excursions! Each excursion is a highlight in itself: from tours through metropolises, trips through impressive landscapes to action and fun-filled excursions. In many cities you have the opportunity to visit the country and its people with your personal guide and driver.

We have compiled the excursion programme in conjunction with well-known, local agencies. We arrange the excursions and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners. Your A-ROSA excursion team has tried every excursion. They explored the cities, the surroundings, museums and castles themselves to provide you with the best experiences. Look forward to a variety of excursions that will make your holiday unforgettable. The excursions for your cruise can be found on the following pages.

In order to provide you with a better overview of the various offers, we have divided our excursions into five categories: Bike, Discovery, Adventure, Family and Gourmet tours. Each is assigned the corresponding symbol. Your International Host on board will happily provide you with more information.

We wish you a great time on shore! Your A-ROSA Team

We will then continue to travel along the Prater with its famous Ferris Wheel to the Hundertwasser house, to St. Charles's Church and the Viennese Music Association. KREMS

EXCURSION TO DÜRNSTEIN AND MELK ABBEY

Dürnstein's main sight is the church with its blue and white baroque spire. Artful reliefs show the suffering of Christ and four obelisks with the images of the apostles' tower into the sky. The Collegiate Church was built in the 15th century and was originally an Augustinian monastery, before it was rebuilt in baroque style. The fortress, which towers over the city, was built in the middle of the 12th century and became the prison of King Richard I (Richard the Lionheart) about fifty years later. The fortress was widely destroyed in the 17th century and today, only the fascinating and romantic ruins remain. You will then continue along the Danube to one of Europe's most magnificent baroque buildings and the highlight of this excursion: the Benedictine Abbey Melk. Situated on a 60-metre-tall ridge, it offers a fantastic view over the Danube and the dreamlike landscape of the Wachau.

Price: € 62 | Duration: approx. 4.5 h

BIKE TOUR THROUGH THE PICTURESQUE WACHAU

With the help of a fresh breeze on your face, you can explore the UNESCO World Heritage Site Wachau. Starting in Krems and ending in Melk, you will cycle through quaint streets and idyllic vineyards. Luscious green valleys accompany you throughout the ride. It is best to enjoy the scenery during a short stop in one of the small restaurants along the trail. The Steiner Landstraße – a highlight of this cycle tour – is one of Austria's most beautiful roads.

Price: € 49 | Duration: approx. 4 h | Distance: approx. 37 km

The excursions will be charged directly to your onboard account.

BOOKING DEADLINES AND CANCELLATIONS

There are booking deadlines for every port. These deadlines are announced in the daily programme on board. Cancellations or rebookings after the deadline are not possible. In case of illness, the excursion for the affected person will be cancelled free of charge.

CLIMATE AND CLOTHING

For shore excursions, we recommend stable and comfortable footwear with nonslip grip soles. In the summer months, you should be prepared for a very hot and humid climate. We recommend to bring insect repellent, sunscreen and headwear. Please also dress appropriately when visiting churches and monasteries.

GUESTS WITH LIMITED MOBILITY

We kindly ask you to get in touch with your Guest Relation Manager or International Host as soon as possible. This allows us to advise you individually or to make the appropriate preparations on location if required.

GOLF

It is possible to play golf in many destinations. The golf courses are very different in terms of quality and condition. Information about the location and costs can be obtained from your Guest Relation Manager or International Host on board.

INCLUDED SERVICES

Included in the excursion price: Guided excursions, transport and admission charges. Drinks and meals are only included if mentioned in the excursion description. We always give preference to typical local specialities where meals are included, giving you the opportunity to get to know and enjoy something new. Please be aware that the meals and drinks on the excursions will not always be up to the standard of the varied range of meals you are used to aboard A-ROSA.

LEGAL MATTERS

The excursions generally take place as described. As your contractual partner, the agencies, however, reserve the right, even without prior notice, to adapt the order or times of the excursions depending on current conditions in order to guarantee your safety. The organiser also reserves the right to exclude a participant from the trip without reimbursement of costs if her/his behaviour is not conducive to the safety, well-being or harmony of the group. The insurance policies taken out by the agencies conform to local legislation and vary widely. We therefore recommend that you take out our comprehensive river cruise insurance (please contact us for further information) before the beginning of your cruise.

MINIMUM AND MAXIMUM NUMBER OF PARTICIPANTS

Most excursions can only take place if the minimum number of participants of 20 is reached. We will inform you as soon as possible if a trip cannot take place. In this case, your booking will be cancelled and the excursion price will of course be credited to your onboard cabin account. We will also suggest an alternative excursion. For some excursions, the number of participants is limited. Registrations are always considered in the order they were made. We kindly ask for your understanding that we might not be able to accept your registration any longer if the maximum number has already been reached. Of course, we also offer alternatives in this case.

TOUR GUIDE AND LOCAL CUSTOMS

The excursion programme gives you the opportunity to get to know interesting towns, historic places, impressive scenery, as well as different cultures, nations, customs and traditions. Tourism is still at an early stage in some of the excursion ports. The level of the local tour guides, which accompany the excursions, corresponds to the top standard of the respective country. This also applies to all coaches.

PRICES AND DISCOUNTS FOR CHILDREN

Prices are indicated - equivalent to the onboard currency - in Euro. For many of the excursions there are discounts for children up to the age of 11. Children under the age of four can take part for free, but are not entitled a seat. More precise information can be obtained from your Guest Relation Manager or International Host.

TICKETS

After booking, you will receive your shore excursion ticket. Please do not forget to bring it with you for the shore excursion. The excursion ticket entitles you to participate and is collected by the agency at the start of the excursion.

TIPPING

It is a common practice to reward good service with a tip. The local tour guides will be pleased if you show your acknowledgement.
