Create your very personal holiday programme with our choice of carefully chosen excursions! Each excursion is a highlight in itself: from tours through metropolises, trips through impressive landscapes to action and fun-filled excursions. In many cities you have the opportunity to visit the country and its people with your personal guide and driver.

We have compiled the excursion programme in conjunction with well-known, local agencies. We arrange the excursions and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners. Your A-ROSA excursion team has tried every excursion. They explored the cities, the surroundings, museums and castles themselves to provide you with the best experiences. Look forward to a variety of excursions that will make your holiday unforgettable. The excursions for your cruise can be found on the following pages.

In order to provide you with a better overview of the various offers, we have divided our excursions into five categories: Bike, Discovery, Adventure, Family and Gourmet tours. Each is assigned the corresponding symbol. Your International Host on board will happily provide you with more information.

We wish you a great time on shore! Your A-ROSA Team

In Beemster, a UNESCO World Heritage Site, you will see the summer houses of Hoorn merchants from the 17th century.

SAILING ON THE IJSSELMEER

The IJsselmeer is one of the most popular places in the Netherlands for sailing. Since the water is just five metres deep here, people sail in typical flat-bottomed boats. On board the Mother Goose you'll be able to take control of the ropes and the helm yourself. Your skipper and another sailor will show you the correct hand movements to use, and over the course of the excursion you'll become increasingly adept at making the boat glide over the water. After around four hours the Mother Goose will moor close to your A-ROSA ship.

STAND-UP PADDLING ON THE IJSSELMEER

A board and a paddle is all you need: stand-up paddleboarding is the latest trend in water sports. You can do it on almost any body of water, but Hoorn is a particularly good place as it's a real Mecca for water sports fans. So, why not try SUP for yourself on the IJsselmeer. Your instructor will show you what to do, then you can give it a go!

Edam is famous around the world for its cheese, but there's more to see and experience here. You'll go on a short walk to explore this small town, which is criss-crossed with many little canals, and take in several sights including the Cheese Market. Although there isn't much cheese sold here nowadays, the old traditions are revived regularly and local cheese is transported to different sellers on sledges, just like in days gone by. You'll have a little free time in the town centre before you continue on to Zaanse Schans. At this listed open-air museum you can go back in time and see what life was like in the Netherlands during the 17th and 18th centuries. Whether you take a guided tour or explore on your own, your route will take you past authentic houses, an historical shipyard, a pewter foundry, a dairy, an old-fashioned grocer's shop and – above all – windmills.
