Create your very personal holiday programme with our choice of carefully chosen excursions! Each excursion is a highlight in itself: from tours through metropolises, trips through impressive landscapes to action and fun-filled excursions. In many cities you have the opportunity to visit the country and its people with your personal guide and driver.

We have compiled the excursion programme in conjunction with well-known, local agencies. We arrange the excursions and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners. Your A-ROSA excursion team has tried every excursion. They explored the cities, the surroundings, museums and castles themselves to provide you with the best experiences. Look forward to a variety of excursions that will make your holiday unforgettable. The excursions for your cruise can be found on the following pages.

In order to provide you with a better overview of the various offers, we have divided our excursions into five categories: Bike, Discovery, Adventure, Family and Gourmet tours. Each is assigned the corresponding symbol. Your International Host on board will happily provide you with more information.

We wish you a great time on shore! Your A-ROSA Team

FRANKFURT

CITY WALK AND CITY TOUR AROUND FRANKFURT

The skyline, its old town, apple cider - Frankfurt does not fit into any one category. And that's great, because contrasts are exciting. This combination of a city walk and a bus tour takes you to modern boulevards and along the mighty bank skyscrapers, to the quaint district of Sachsenhausen with its apple wine taverns and the historic Römerberg (Roman Mountain). The eponymous "Roman" has been the city hall since the 15th century. No less impressive is the Baroque Hauptwache (Main Guard House), the Old Opera and the magnificent neoclassical rotunda of St. Paul's Church.

A TRIP TO THE MARKET WITH OUR HEAD CHEF

Frankfurt's well-known Kleinmarkthalle – an indoor food market – is less than a kilometre from the quayside. This is definitely not your average market hall: it's a Frankfurt institution. Our head chef will accompany you to different stalls and introduce you to typical Frankfurt specialities, such as the famous Green Sauce.

REGENSBURG

CITY WALK THROUGH REGENSBURG

Located at the northernmost point of the Danube, Regensburg is the city where many of the buildings still reflect the major political, economic and religious developments of the Middle Ages. The magnificent trading houses, many of them characterised by patrician tower houses, are a great example. The wealthy patrician families donated huge church buildings - the construction of Regensburg's cathedral is unique compared to anywhere else east of the Rhine! But Regensburg is much older: The Porta Praetoria is considered to be one of the oldest preserved buildings – being almost 2,000 years old. Therefore, the Porta Praetoria is - together with the Porta Nigra - one of the only two remaining Roman gate systems north of the Alps.
