**C**reate your very personal holiday programme with our choice of carefully chosen excursions! Each excursion is a highlight in itself: from tours through metropolises, trips through impressive landscapes to action and fun-filled excursions. In many cities you have the opportunity to visit the country and its people with your personal guide and driver.

We have compiled the excursion programme in conjunction with well-known, local agencies. We arrange the excursions and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners. Your A-ROSA excursion team has tried every excursion. They explored the cities, the surroundings, museums and castles themselves to provide you with the best experiences. Look forward to a variety of excursions that will make your holiday unforgettable. The excursions for your cruise can be found on the following pages.

In order to provide you with a better overview of the various offers, we have divided our excursions into five categories: Bike, Discovery, Adventure, Family and Gourmet tours. Each is assigned the corresponding symbol. Your International Host on board will happily provide you with more information.

**We wish you a great time on shore! Your A-ROSA Team**

Over the course of millions of years, the typical limestone of the Ardèche formed one of the most beautiful landscapes in France. This includes the fairy-tale grottos. Along the river you will drive to one of the numerous grottos of the area, such as the Grottes des Madeleines with its subterranean halls. Continuing your trip to one of the lavender producers in the Ardèche-area, you will be shown the different types and species of lavender, as well as their usage in medicine, decoration and perfume production.

Price: € 67 | Duration: approx. 5 h | Please note: The temperature in the Grotto is only about 15° C, please take warm clothing with you.

### BIKE TOUR THROUGH PICTURESQUE ARDÈCHE

The Rhône crosses the landscape like a dark green ribbon. And you will cycle along the bank, beginning in Viviers. First you will pass by the foot of a local mountain and cycle through the pretty town of Donzère. Then it becomes a bit more demanding: you will cycle on a former route of the Tour de France with a longer climb. Your guide will adjust speed to ensure that everyone can keep up. And the effort is definitely worth it: the magnificent descent back to Viviers takes you past Châteauneuf-du-Rhône.

Price: € 44 | Duration: approx. 2.5 h

Distance: 19 km

## AVIGNON

### BIKE TOUR THROUGH AVIGNON BY MORNING

In the morning, Avignon is still wonderfully quiet. The perfect time to explore the city and its exciting history by bike. After witnessing the sun rise over the Rhône, you will explore the enormous Pope's Palace and many other sights. The relocation of the Pope's seat to Avignon in the 14th century also provided the city with gothic churches, monasteries and other splendid buildings. The morning light also illuminates the small island Barthelasse with a fantastic atmosphere. Here, you will cycle through lush nature inside and outside of the city.

Price: € 39 | Duration: approx. 2 h | Distance: 20 km

## AVIGNON CITY WALKING TOUR WITH A VISIT TO THE POPES PALACE

Through narrow alleys and past the numerous small city palaces, chapels and churches, this excursion will lead you to the famous Palais du Pape. In the beginning of the 14th century Pope Clemens V settled here, followed by further popes and cardinals. The visit of this fortified site takes you to the great halls, to the chapels, to the terrace with magnificent views of Avignon and the Rhône and even to the private chambers of the Pope. Each year in July, one of the largest theatre festivals in the world takes place around the palace. Afterwards you pass the church of St. Agricol and to the ruins of the famous Pont d'Avignon.

Price: € 32 | Duration: approx. 2.5 h

## ARLES

### THE CAMARGUE - A WONDER OF NATURE

Where land and sea merge, something wonderful is created. The Camargue is a natural wonder. And you will experience it first hand on this bus tour - with its flocks of flamingos and the famous white horses, the fauna is truly unique. Today, the free-roaming white Camargue horses and Camargue cattle are not wild animals anymore, but are kept on wide pastures that are typical for the region. We will continue to Saintes-Maries-de-la-Mer, a major pilgrimage site and a touristic hub of the Camargue. The Notre-Dame-de-la-Mer church from the 9th century houses sacred relics of Marie Salomé and Marie Jacobé. Since 1448, a pilgrimage to the church has been held twice per year. The centre of veneration of Saint Sarah, also known as Sara the Black, is also here in Saintes-Maries-de-la-Mer, a place of pilgrimage for Roma. After a short walk you will have some free time.

Price: € 52 | Duration: approx. 4 h

### JEEP TOUR THROUGH THE CAMARGUE

The Camargue is one of the last areas along the Mediterranean Coast where you can find unspoilt nature. It is an Eldorado for nature lovers. Once you leave the main roads during your jeep tour, a wonderful adventure will begin. See the famous white wild horses and enjoy the endless vastness. During a short stop in Les Saintes-Maries-de-la-Mer, you will have the opportunity to enjoy the beach or stroll through the shopping streets.

Price: € 92 | Duration: approx. 4 h | Note: Driver is also the guide.

### BIKE TOUR THROUGH THE WILD CAMARGUE

Quaint villages, white wild horses and pink flamingos - that is the Camargue. Explore the untouched flood plain in the saddle of your A-ROSA bicycle. You will cycle past vast rice fields and the famous Camargue bulls - the meat is a real delicacy - until arriving in Étang de Vaccarès.

With a little luck, we will see some flamingos here at the salt water lagoon. The next stop is Arles, which is a well-known thanks to Van Gogh's masterpieces. During a coffee break, you can admire the imposing amphitheatre from the Roman period.

Price: € 54 | Duration: approx. 4 h | Distance: 43 km

### HORSE RIDE THROUGH THE CAMARGUE

The Camargue is a paradise not only for the white wild horses, but also for riders. In the middle of the landscapes, south of Arles, several ranches offer wonderful excursions. Whether you'd prefer a short ride or a day trip, your guest relation manager on board will be happy to give you further information, arrange the excursion time according to your personal wishes and also organise the transfer.

### FRANCE'S MOST BEAUTIFUL CITY – AIX-EN-PROVENCE

That's what the French say, anyway. But the only way to be sure is to experience the charm of Provence's former capital for yourself. We recommend that you begin your excursion by sampling some delicious calissons d'Aix, local sweets made with almonds and melon. Preferably in one of the many cafés along the elegant Cours Mirabeau. Or you could follow in the footsteps of Paul Cézanne, the great Impressionist artist, who had a studio in Aix. And after you've had a look around the city, there'll still be enough time to purchase a typical Provençal souvenir, such as herbs or soap.

Price: € 52 | Duration: approx. 4.5 h

A private yacht will meet you in Port Saint Louis and take you off on a very special tour. In this area the Rhône Delta branches out into small arms through the Camargue, creating a unique landscape. In fact, the area is so wet that it's even possible to grow rice here. During your tour you'll take in stunning natural scenery and little villages – and you'll have the chance to discover the famous Camargue horses and bulls. You'll also sail out to a Mediterranean oyster farm, where you'll learn all about how these shellfish are bred. And, naturally, there'll be an opportunity for you to sample some oysters paired with a local wine.
