Create your very personal holiday programme with our choice of carefully chosen excursions! Each excursion is a highlight in itself: from tours through metropolises, trips through impressive landscapes to action and fun-filled excursions. In many cities you have the opportunity to visit the country and its people with your personal guide and driver.

We have compiled the excursion programme in conjunction with well-known, local agencies. We arrange the excursions and they are implemented by the local agencies, which are the excursion organisers, and thus also your contractual partners. Your A-ROSA excursion team has tried every excursion. They explored the cities, the surroundings, museums and castles themselves to provide you with the best experiences. Look forward to a variety of excursions that will make your holiday unforgettable. The excursions for your cruise can be found on the following pages.

In order to provide you with a better overview of the various offers, we have divided our excursions into five categories: Bike, Discovery, Adventure, Family and Gourmet tours. Each is assigned the corresponding symbol. Your International Host on board will happily provide you with more information.

We wish you a great time on shore! Your A-ROSA Team

ALONG THE CÔTE FLEURIE TO HONFLEUR, DEUTVILLE AND A CALVADOS DISTILLERY

Situated directly on the mouth of the Seine in the English Channel, Honfleur has become one of the most charming towns in Normandy. After a stroll through the cosy alleyways and along the harbour, you will visit a Calvados distillery and of course enjoy a little tasting. Afterwards you will continue on the "Flowery Coast" to Deauville. This prestigious seaside resort dates back to Charles de Morny - a half-brother of Napoleon III, who in just four years in the mid-19th century created a seaside resort with neo-Roman villas, a race course and railway connections to Paris. In the beginning of the 20th century, luxury hotels and casinos were added and the international reputation grew. During a little bus tour along the Atlantic you can marvel at these stately buildings.

Price: € 69 | Duration: approx. 6 h

ROUEN

ROUEN CITY WALK

Although Rouen was heavily damaged in the Second World War, most of its old half-timbered buildings, paved streets and churches were rebuilt. Today, Rouen will remind you of an open-air museum rather than a city. The city of the 100 church spires - as it was called by Victor Hugo - sadly gained notoriety in 1431 when Joan of Arc was burned at the stake in the middle of the market square. Experience the entire history of the harbour city during this guided walking tour.

Price: € 22 | Duration: approx. 2.5 h

IN THE FOOTSTEPS OF JEANNE D'ARC

An exciting cycling tour through the historic city of Rouen. Impressive cathedrals, medieval half-timbered houses and a picturesque old town await you. This truly is a very special city tour.

Price: € 49 | Duration: approx. 3.5 h | Distance: 15 km

CÔTE D'ALBÂTRE, ÉTRETAT & LE HAVRE

One of the most beautiful coasts in France - the Alabaster Coast - is located west of Rouen and can be reached by bus in an hour. This excursion will first take us to Le Havre, famous for its architectural city centre, the only one from the 20th century that has been awarded the UNESCO World Heritage status. We will continue along the coast to one of the most beautiful seaside resorts on this stretch, the small village of Étretat, which is surrounded by high chalk cliffs on both sides. These also provide natural protection for the city from the dominant winds. Charming castles, manor houses - and of course the outstanding chalk cliffs, which have been captured in countless paintings by well-known painters, determine the cityscape. On the way back, we will drive through Normandy to Caudebec-en-Caux, where the A-ROSA VIVA awaits us.

Price: € 72 | Duration: approx. 6 h

VERNON

MONET'S GARDEN AT GIVERNY

The paintings of the famous water lilies in his own pond, as well as the flower meadow behind his house, have become impressionistic masterpieces. Today, his former residence is home to a museum. Giverny is still the Mecca of the Impressionists, many of whom at least partly lived here at the end of the 19th century and the museum displays many Impressionist masterpieces from all parts of the world. You will visit Monet's garden and residential house and have plenty of time to let the spirit of the little town sink in.
